Course Availability

Making your course available

By default Learn.UQ courses are not available to students when they are first created. To make your course visible to students you need to change the Availability setting.

- From the Control Panel select Customisation > Properties.

Set Availability

- Select the Yes radio button for the setting Make Course Available.
- Click the (Submit) button.
Properties

Properties control the functional settings of the course, including name, availability, classification, duration, categorisation, language, files and structure. More Help
